

## Limited Lifetime Warranty

### **Auto Glass Replacement**

**Installation Work:** Your replacement automobile glass is warranted against defects in material and workmanship (except sliders and sunroofs) for as long as you own or lease the vehicle. Lifetime warranty is not transferable. In order to exercise your rights under this warranty, we will require evidence of installation by Affordable Auto Glass, such as a copy of the invoice.

**Exclusions:** This warranty does not cover leaks, stress cracks, accidents, theft, acts of God, self-inflicted damage or related damage in connection with installations to vehicles having damage or rust on the pinchweld. Affordable Auto Glass will use commercially reasonable efforts to advise you of the existence of such damage or rust prior to removal of existing glass; however, it is often not possible to do this. In these cases, Affordable Auto Glass is not responsible for any associated damage. In addition, damage not involving defective workmanship or materials is expressly excluded from coverage under this warranty. Any Glass or molding not provided by Affordable Auto Glass will not be warranted. **IN NO EVENT SHALL THE MANUFACTURER OR VENDOR BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES**

### **Windshield Chip Repair**

**Installation Work:** The repair process involves the injection of special adhesives into the damaged part of the glass. The degree of success of each repair is a function of several variables. In some cases the attempt to repair a windshield can result in the chip or crack becoming larger, and we are not responsible for such damage.

**Product Warranty:** The windshield repair performed on your vehicle is warranted for as long as you own or lease the vehicle. If you are dissatisfied with the repair Affordable Auto Glass will apply the cost of the repair towards the purchase of a new windshield. If the original repair was covered by the insurance, credit will be given to the insurance company.

### **Sliders and Sunroofs**

**Installation Work:** Installation of sunroofs and rear sliders is guaranteed for a period of one year from the date of installation, except where damage occurs due to vandalism, accidents, theft, acts of God, or self-inflicted damage and except leakage due to body deterioration.

**Product Warranty:** The original manufacturer's warranty (including any restrictions and guidelines applicable to the warranty) shall apply to all defects in material and workmanship that would render this product unfit for its normal and recommended use and service, except damage due to vandalism, accidents, theft, acts of God, or self-inflicted damage and except leakage due to body deterioration. The manufacturer's warranty is subject to a visual inspection to verify validity of claim.
